The official publication of The Perfins Club, APS affiliate 57

Norman Hewerdine provided the illustrated letter head, shown on page 51, which was part of a receipted letter. The receipt stamp is a 1d lilac perfinned I.O/C° (I1926.01). There seems to be no connection with the company although the stamp is over stamped with the name of "The New York Belting and Packing Co. Ltd! The illustration of the letterhead and 1d lilac are reduced in size but the die illustration is actual size.
